

Choose an effective, hard-working councillor, vote Liberal Democrat

Dear Manor Resident,

The Stevenage Council elections on 2 May are for who you want to be your local Councillor for the next 4 years, to represent you on Stevenage Borough Council (SBC). **They are not about the government or national issues.**

I have been elected by you **13 times since I first stood in 1982.** My record since then shows that I provide a strong, experienced, knowledgeable, local voice to stand up for you on important issues like the Gresley Park development.

I have provided an effective, constructive opposition to the Labour dominated SBC.

I have spent my local budgets wisely. **I never forget that it is your money.**

I avoid personal attacks on opponents, I do not promise things I cannot do and I will continue to stay in touch, be easy to contact and help you with problems.

Thank you for your previous support and please vote for me again so that I can continue to work on your behalf.

Yours sincerely

Robin Parker

P.S. I've tried hard to meet you all, but if you were out when we called, my contact details are shown here.

Lib Dem councillors: listening, working, consulting all year round

Let's clean up Stevenage!

Our town has a poor record of maintaining the environment. Bins scattered, waste lying around and an overall lack of care. Stevenage also has the worst recycling rate in the county. Official data shows that that only 38.3% of Stevenage's waste is recycled compared with an average across the county of 50.9%. **The best local authority was Lib Dem-run Three Rivers (Rickmansworth area).**

Our survey of Manor residents showed 84% tell us you would prefer just one large recycling bin.

Gresley Park

Since 2016, we have kept you informed about East Herts plan for Gresley Park and opposed it. Labour SBC supported it and did not even tell you about it!

Hands off our green spaces!

Our children need somewhere to play but too many green spaces are being sold off to developers by the Labour-controlled Stevenage Council. People need green space in their neighbourhood!

Redevelopment of the town centre?

Let's get on with it

For more than three decades SBC and others have been talking about redeveloping the Town Centre. Previous schemes were scrapped for financial reasons – as we warned at the time. We support the basics of current scheme, which is progressing – not helped by the Tory MP who snipes from the sidelines, but has no realistic alternative.

We will work to get the job done and stop the political football!

My record speaks for itself

I have been elected 13 times by you. At each election, I have kept my promise that I will:

- work hard for our area.
- provide effective and fair opposition to the Labour dominated SBC and Tory dominated HCC.
- keep in touch and work for you all year round. No other party does this here.

I have stayed in touch with you all year round, for 37 years, with:

- Newsletters
- Residents' Meetings
- Surgeries
- Street Meets

Do not risk this by voting for the same old Conservatives or Labour, whom you hear from only when they want your vote.

The facts about Stevenage Borough Council

Labour 26

Conservative 9

Liberal Democrat 4

It is the Liberal Democrat opposition who make the running by tabling formal questions and motions, suggesting Scrutiny items and raising important issues. The Tory group say and do little.

Make sure that you re-elect Robin Parker.

for MANOR WARD

OUR PLAN FOR STEVENAGE:

- Launch a town-wide rubbish clean-up campaign led by the new Neighbourhood Wardens.
- Review excessive car parking charges and add short free periods.
- Put money back into local residents' parking schemes.
- Increase Locality Budgets so local people can decide what gets priority.
- Stop selling off your green spaces.
- Back the regeneration of the town centre and end the political slanging match between the Labour Council and Conservative MP.
- NO to Gresley Park! Oppose East Herts building on the edge of Stevenage and burdening our crumbling roads, services and infrastructure.

Labour has let you down

You never hear from the Tories

Stevenage Borough Council needs a strong and vocal opposition. Please re-elect Robin Parker to help carry forward the work of our existing dedicated team: Robin, Graham, Andy, Tom.
